You are invited: Join AIN and Challenge Arabia!

Sponsor. Engage. Make a difference!

On behalf of the Arab Innovation Network (AIN), a UK registered charity that fosters innovation in the Arab World, we would like to you to provide a Challenge to the Youth at the eighth Arab Innovation Annual Conference (AINAC 2019) taking place in Amman on 3rd-6th October. This year, AINAC 2019 will be about 'Challenge Arabia' whereby youth congregate to share creative ideas and solutions to challenges proposed by the industries in the health, engineering and environmental sectors. We would like build on the success of our past conferences where we

gained the support of Her Majesty Queen Rania Al Abdulla of Jordan and HE Sheikh Nahyan bn Mubarak Al Nahyan of the UAE, and have inspired youth across the Arab World.

About Us

Vision

To be the leading network in fostering innovation in the Arab world.

Mission

Encourage industry-relevant innovation, by working directly with industrial partners to set challenges for youth to address.

Provide a unique transition for youth from university to employment, by working with partners to offer internships, networking opportunities, and training.

A large group of diverse people, including men and women of various ethnicities, are gathered in a conference hall. They are arranged in a large circle, looking towards the camera. The setting is a well-lit room with tables and chairs, suggesting a formal event or conference. A central blue circle contains the text "100% Volunteers".

Sponsorship Type

Sponsor the future of the Youth in the Arab world

Attendance Sponsor

Sponsor university students to attend AINAC and showcase their ideas. The cost can cover flight, accommodation or only registration tickets. By sponsoring youth to attend, you are giving them the chance to present their ideas, network and learn from our interactive sessions. The number and level of covered expense is determined by you!

Camp Sponsor

Sponsor the AINAC camp sessions and activities, which is the platform where competitors develop and present their solutions. This includes any of the following sessions: induction session, workshops, breaks, and site visits.

Closing Ceremony Sponsor

Closing ceremony is opened to public. It will include keynote speeches, patronage speech, entertainment program, exhibition and Gala dinner.

Challenge Sponsor

Provide a question for the youth to solve and sponsor them to attend and present it.

Service Sponsor

This includes all in-kind support utilizing a service such as printing, local transportation, decoration, subsidized flight tickets, tourism, hotel, stationary.

Academic Sponsor

Support your students and staff to attend the conference or host local activities.

Exhibition Sponsor

Sponsor the exhibition held during the closing ceremony.

Media and Outreach Sponsor

Be our media/outreach sponsor by publicizing and hosting outreach activities such as newsletters advertisement, newsletter press release, TV interviews before/after, reporting on the event and producing short summary, etc.

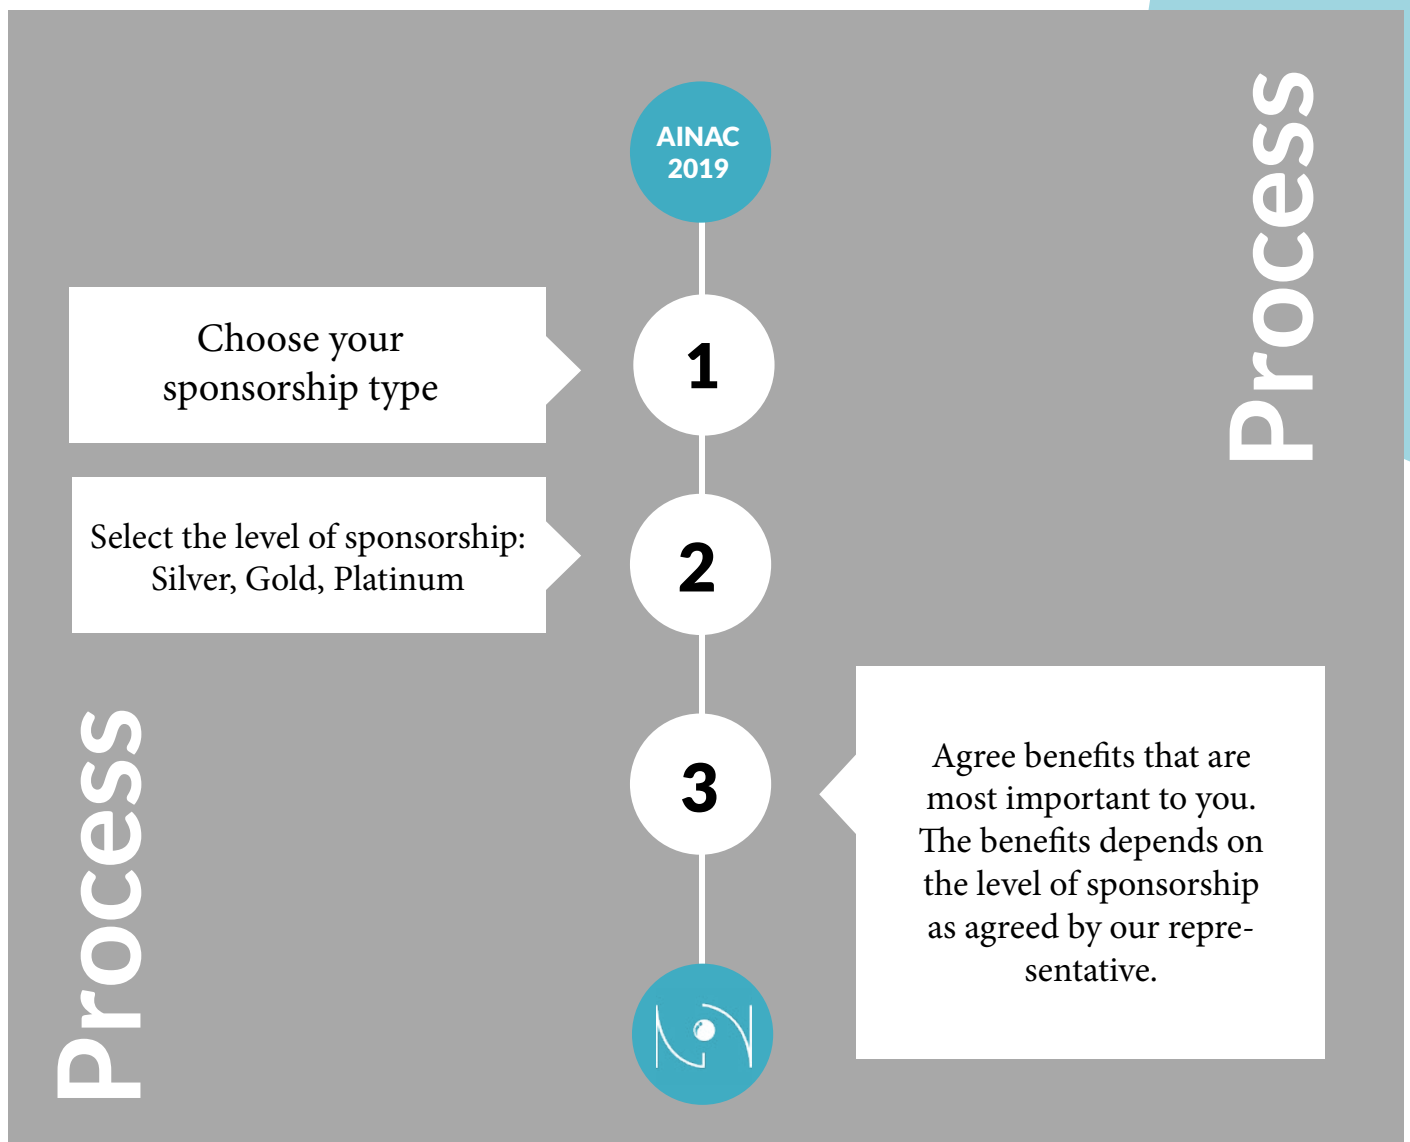

Volunteer sponsor

Sponsor our remarkable volunteers to join us during the conference and further develop their skills!

Publicity

Dedicated article/live on our newsletter/social media.
